

Dear Students,

We're at an exciting time in Florida Poly's history as we prepare to select the second president to lead our University into a strong and successful future. You play an important role in that.

We have invited the five presidential finalist candidates to join us on campus next week for additional interviews, and we're pleased we have an opportunity for the campus community to engage in that process.

The following is the schedule for our coming finalist forums for students:

Date	Time	Candidate
Monday, April 1	5:00-6:00 p.m.	Dr. David Norton
Tuesday, April 2	9:45-10:45 a.m.	Dr. Wolf Yeigh
Wednesday, April 3	10:15-11:15 a.m.	Dr. Daniel O'Sullivan
Wednesday, April 3	12:00-1:00 p.m.	Dr. Devin Stephenson
Thursday, April 4	10:00-11:00 a.m.	Dr. Keith Moo Young

A calendar invitation will be emailed to you later today and will contain the location of the forum and the candidate's CV.

We hope you will engage in the process and find time to meet as many of the candidates as possible.

Sincerely,

Clifford K. Otto
Chair, Board of Trustees
Florida Polytechnic University
