ADA ACCOMMODATIONS

If you need ADA accommodations, please email ada@floridapoly.edu with your request by April 19. Limited companion seating is available for guests who confirm their request with ADA services prior to the event.

CONSIDERATION FOR ALL GUESTS AND GRADUATES

This is an important day for all in attendance and we ask that guests limit their celebration as their graduate's name is called. Prolonged celebration may prevent the guests of the next graduate from hearing their name called. Noise makers, bullhorns, and other loud devices are not permitted. While photos and video recording are welcomed, guests may not stand in stairways or walkways during the ceremony because this may block the view for other guests.

OFFICIAL PHOTOGRAPHER

Grad Images is the official photographer for commencement. The photographers will have clear access to take photos of the graduates during the ceremony. Graduates and their families will have the opportunity to order the commencement photos from Lifetouch. Graduates will receive a link to order commencement photos when they become available. Visit gradimages.com to find the photos taken at the 2024 Commencement Ceremony.

Share your Florida Poly pride before, during, and after the ceremony by tagging your pics #FLPolyGrad on Facebook, Twitter, and Instagram. All day-of updates will be communicated via Facebook and Twitter.
