COST MANAGEMENT DATA ANALYTICS CONSULTANT

DATE: 02/20/2024

ADDENDUM NO: Two (2)

PLEASE NOTE: Questions and Responses

1. Question

After going through the RFP, we have seen certain documents that need to be reviewed and signed by Legal/EXL Ireland. The Trade Secrets affidavit needs to be notarized as well, which needs to be done in Ireland. Question is – Can the electronic signatures be accepted or if we need physically signed and notarized documents for the original copy?

Response

Electronic signatures are fine.

2. As per the addendum, University would like to analyze the data for 2-3 years. Can we quantify the data either in number of rows and columns or in file size (MB/GB)? This will help us in exploring the Data Storage options.

Response

The anticipated space for shared storage would be less than 1GB and will be hosted by the University.
